

Ensuring Safety and Security in Corporate Buildings

X-Display

Provides dynamic alerts and visual instructions during emergencies.

X-Alert

Automates notifications for unauthorized access and anomalies within restricted areas.

X-Light

Delivers vibrant, customizable RGBW lighting for unmissable alerts, improving communication and safety during critical situations.

X-Guardian

Centralized platform for monitoring activities and managing safety protocols.

X-Protect Buttons

Enable quick communication of emergencies, triggering immediate responses.

X-Wearable

Gives employees the ability to communicate and trigger alerts effectively.

X-Detect

Alerts when vaping is detected in unauthorized areas such as bathrooms.

Ensuring safety in corporate buildings is key to protecting employees and visitors. Implementing safety protocols, maintenance, and emergency plans enables quick response to incidents. XSponse can help with office/building lockdowns and integrates with your existing video surveillance and access control solutions. Effective communication and security measures create a safe, productive workplace for all.
